SKILLS SNAPSHOT

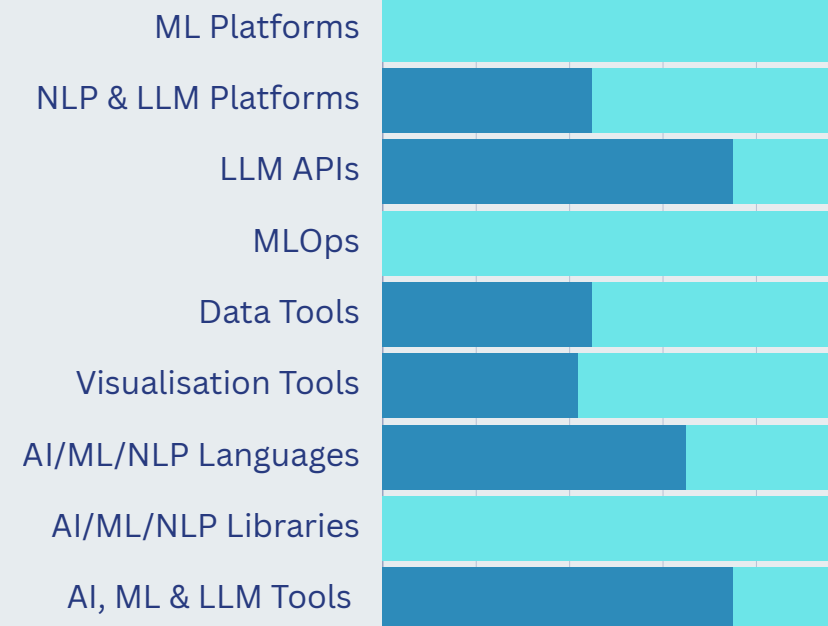

CANDIDATE SNAPSHOT

The candidate is a confident and highly experienced senior AI & RPA professional with over a decade of expertise in delivering end-to-end automation solutions across financial, insurance, and logistics sectors. They have successfully implemented more than 900 FTE savings, consistently achieving over 90% on-time project delivery while managing complex automation initiatives using platforms like Blue Prism and UiPath.

Their strong leadership and communication skills have enabled them to train over 600 professionals and create innovative tools that extend platform capabilities. With a proven track record of scalable, efficient automation, the candidate is committed to driving operational excellence and delivering measurable business value.
