## CERTIFICATIONS

**MSc Technology  
Management & Digital  
Innovation**

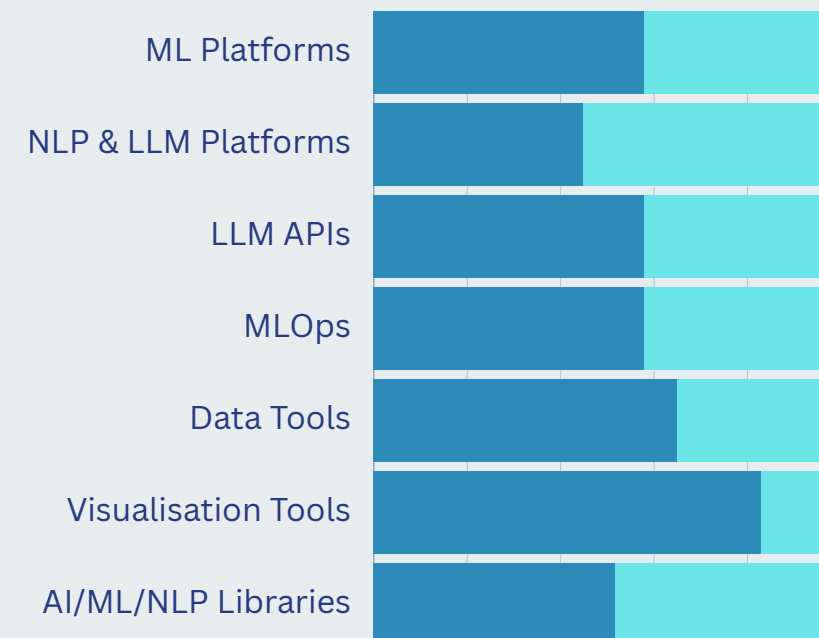

**Postgraduate Data  
Science and Artificial  
Intelligence**

## CANDIDATE SNAPSHOT

*The candidate brings over five years of expertise in Automation, AI, and Data, currently leading a high-performing team to drive digital transformation and operational efficiency.*

*Their strategic vision has successfully scaled teams from 3 to 20+ professionals, delivering innovative solutions such as RPA, LLM-powered chatbots, and predictive models that generate measurable business impact. With a proven track record of translating data insights into actionable strategies, they excel at managing complex projects, vendor relationships, and aligning AI initiatives with organisational goals. Their combination of technical proficiency and leadership makes them a valuable asset for organisations seeking to harness automation and AI for growth.*
