CANDIDATE SNAPSHOT

With over 7 years of experience in delivering innovative Salesforce solutions, he has excelled in leading complex implementations across various Salesforce clouds, including Experience, Sales, Service, Financial, and Marketing. His technical expertise spans Apex, SOQL, JavaScript, LWC, and more. He has a proven track record of optimising platform performance, ensuring data integrity, and driving organisational adoption of best practices.

His ability to translate technical concepts into business language and his strong analytical mindset make him a valuable asset. He brings technical leadership, effective stakeholder collaboration, and a commitment to staying at the forefront of Salesforce technology trends.
