CANDIDATE SNAPSHOT

With over 17 years of experience across multiple countries, he has a strong background in Software Quality Assurance, Tech Pre-Sales, and Salesforce Marketing Cloud & Data Cloud consulting. Holding eight Salesforce certifications, he excels in implementing and demonstrating Salesforce solutions, API integrations, and client-facing meetings.

His expertise includes developing functional and regression test plans, automation testing, and providing product guidance. Passionate about customer success and mentoring, he brings adaptability, resilience, and a team-oriented mindset to tackling new challenges and driving client satisfaction.
