CANDIDATE SNAPSHOT

She is a highly experienced Salesforce professional with a strong background in development, consulting, and solution architecture across diverse industries including finance, legal, education, and utilities. With hands-on expertise in Apex, REST API integrations, complex automation, and business process design, she has led end-to-end Salesforce implementations and optimisations.

She brings a strategic mindset, technical depth, and a user-focused approach to every project. Her ability to independently manage projects, mentor teams, and deliver scalable solutions makes her a valuable asset for any organisation seeking Salesforce excellence.
