## SKILLS SNAPSHOT

## CANDIDATE SNAPSHOT

A highly skilled Salesforce Administrator/Developer with over five years of experience in CRM implementation, automation, and optimisation. He has led end-to-end Salesforce projects, significantly reducing manual processes and enhancing operational efficiency. His expertise spans Flow development, system integrations, and user training, with a strong focus on business process improvement and stakeholder collaboration.

Notable achievements include migrating legacy systems to Salesforce and developing custom automation tools. With a background in mechanical engineering and multiple Salesforce certifications, he brings a blend of technical acumen and strategic insight to drive impactful CRM solutions in any organisation.
