SKILLS SNAPSHOT

CANDIDATE SNAPSHOT

He is a seasoned analytics leader with over 25 years of experience, including more than a decade specialising in CRM and data intelligence. With deep expertise in Salesforce as both an administrator and developer, he has led global analytics strategies, implemented CRM Analytics, and driven operational efficiency through data-driven decision-making.

His achievements include building scalable analytics frameworks, leading cross-functional teams, and enhancing executive reporting. He brings strategic vision, technical acumen, and a collaborative leadership style to any role, making him a valuable asset for organisations seeking to transform business performance through data and CRM innovation.
