CANDIDATE SNAPSHOT

A seasoned Salesforce Architect with over 13 years of experience across financial services, insurance, and regulated industries, he brings deep expertise in multi-cloud environments, data architecture, and programme leadership. His achievements include leading enterprise-wide CRM transformations, implementing scalable Salesforce solutions, and integrating AI tools like Einstein and Agentforce to enhance operational efficiency.

He has successfully delivered measurable outcomes such as reducing onboarding time by 30% and improving lead conversion by 35%. With strong governance, mentoring, and stakeholder alignment skills, he offers strategic vision and hands-on capability to drive impactful digital transformation.
