CANDIDATE SNAPSHOT

A certified Salesforce Administrator with 6 years of experience, excelling in user management, data integrity, security audits, and process automation. His expertise in Salesforce customization, including Flows and Process Builders, complements strong skills in reporting and insights creation.

He has effectively collaborated with cross-functional teams to resolve technical issues and optimise business processes, ensuring platform stability. His proactive approach to system maintenance and user onboarding, his communication skills and technical acumen make him a strong all round expert.
