CANDIDATE SNAPSHOT

A seasoned Salesforce and Business Systems Analyst with over three years of experience managing end-to-end Salesforce projects. His expertise spans Sales Cloud, Pardot, CPQ, and Service Cloud, with a proven track record in administration, configuration, and user support.

Notable achievements include leading the design and launch of a customized Salesforce platform for a mental health support organization, reducing manual tasks by 50%. He excels in requirement gathering, project design, and implementation, bringing robust technical and communication skills to any role, ensuring productivity, compliance, and user satisfaction.
