CANDIDATE SNAPSHOT

A highly motivated Salesforce Specialist with over two years of experience in Salesforce customisation, security access, and data validation. Her expertise includes designing custom objects, managing data migration, and utilising Salesforce Pardot for marketing automation.

With a background in data science, she offers profound analytical insights and innovative solutions. Her ability to collaborate with cross-functional teams and deliver training sessions enhances her value. She brings strong problem-solving skills and technical expertise to optimise Salesforce implementations and drive business growth.
