SKILLS SNAPSHOT

Radar chart axes: Value Design, Tools & Artifacts, System-Level Thinking, Stakeholder Engagement, Analytical & Creative Thinking, Performance Monitoring, User Experience (UX). Scale 0–4.

CANDIDATE SNAPSHOT

He is a highly experienced Salesforce professional with over 14 certifications, including Application Architect and AI Associate. His career spans roles in the nonprofit sector and commercial real estate, where he has successfully implemented Salesforce solutions, led discovery workshops, and managed diverse teams.

His expertise includes pre-sales solution design, stakeholder engagement, and technical support. He brings a strong ability to deliver high-quality work within deadlines, train end users, and support professional development. His passion for using technology for good is evident in his work with nonprofit organisations.
