CANDIDATE SNAPSHOT

He is a seasoned Salesforce professional with extensive experience across Sales Cloud, CPQ, Service Cloud, and Field Service Lightning. With a strong background in both administration and business analysis, he has led full-scale Salesforce implementations, optimized field service operations, and introduced inventory management systems to streamline workflows.

His expertise in building complex automations and flows has significantly enhanced business efficiency and system performance. He brings a proactive, solutions-oriented mindset to every role. His ability to collaborate with stakeholders and deliver actionable insights makes him a valuable asset to any organization seeking Salesforce excellence.

PRODUCT EXPERIENCE
