SKILLS SNAPSHOT

CANDIDATE SNAPSHOT

A highly experienced Salesforce professional with over a decade of expertise across diverse industries, he has consistently delivered innovative solutions as a Technical Architect, Lead Developer, and Consultant. Holding multiple Salesforce certifications, he has led complex implementations, integrated millions of records, and architected advanced Service and Sales Cloud consoles.

His achievements include developing custom Lightning Communities, CTI integrations, and predictive AI features. With strong leadership, stakeholder engagement, and mentoring skills, he brings strategic vision, deep technical knowledge, and a proven ability to transform business requirements into scalable Salesforce solutions.
