## CANDIDATE SNAPSHOT

*An experienced ServiceNow Technical Consultant with over 9 years in consulting, solution design, and development. His extensive background includes expertise in ITSM and HRSD, event management, survey management, custom application development and has led multiple end-to-end ServiceNow implementations.*

*His strong technical skills in JavaScript and familiarity with agile methodologies make him a well-suited candidate for implementation and consultancy positions. His ability to collaborate with stakeholders and mentor junior team members further enhances his contribution to delivering solutions.*

## PRODUCT EXPERIENCE
