## CAPABILITY INDEX

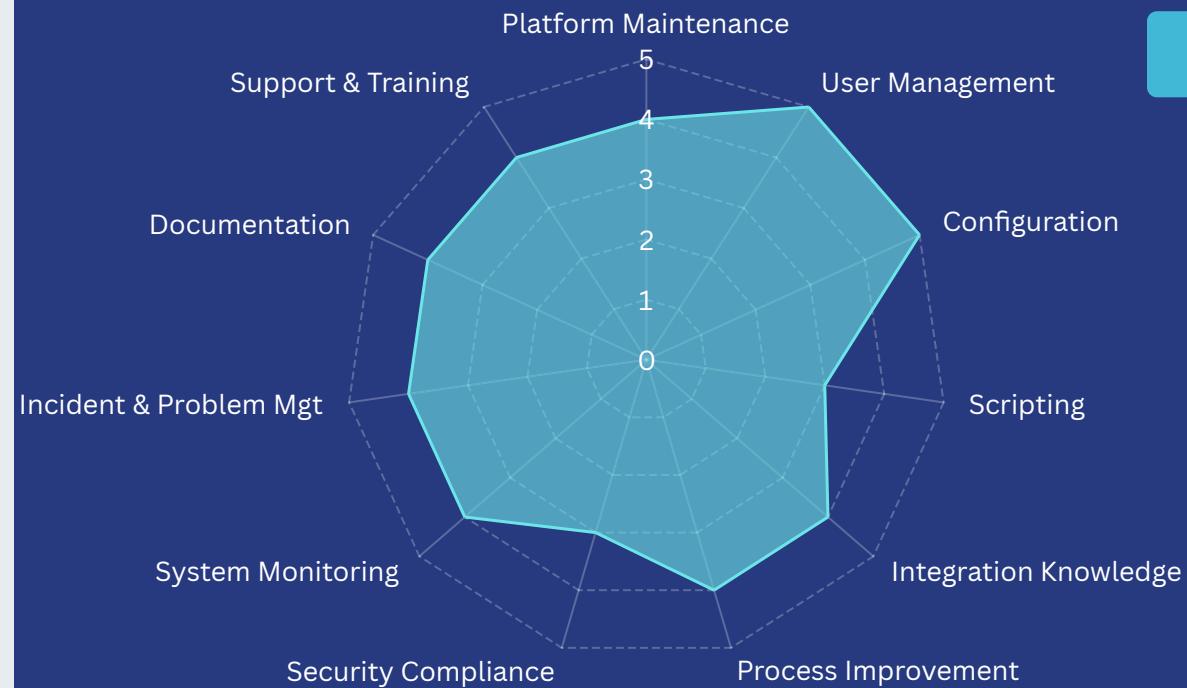

## CANDIDATE SNAPSHOT

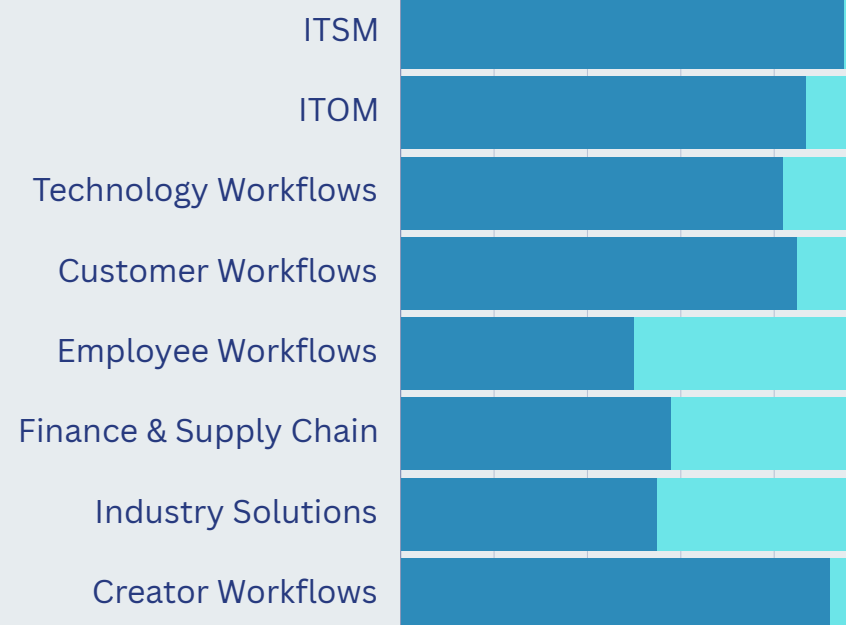

*A skilled ServiceNow Consultant with extensive experience in ITSM processes and ITIL methodologies. He has successfully implemented ITSM processes and customised workflows within ServiceNow, including designing CMDB processes and automated change management workflows.*

*His background in quality analysis adds a robust understanding of testing and compliance, enhancing project outcomes. This candidate's expertise in service catalog development and process optimisation positions him as a valuable asset for any organisation seeking to improve their IT service management capabilities.*
