CAPABILITY INDEX

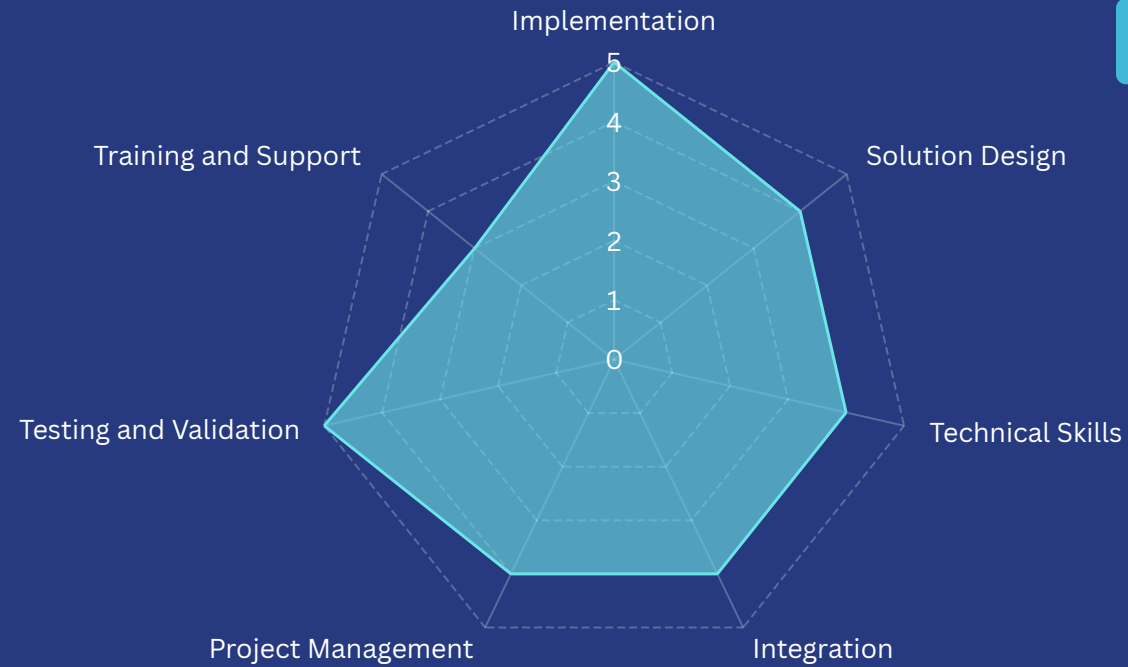

CANDIDATE SNAPSHOT

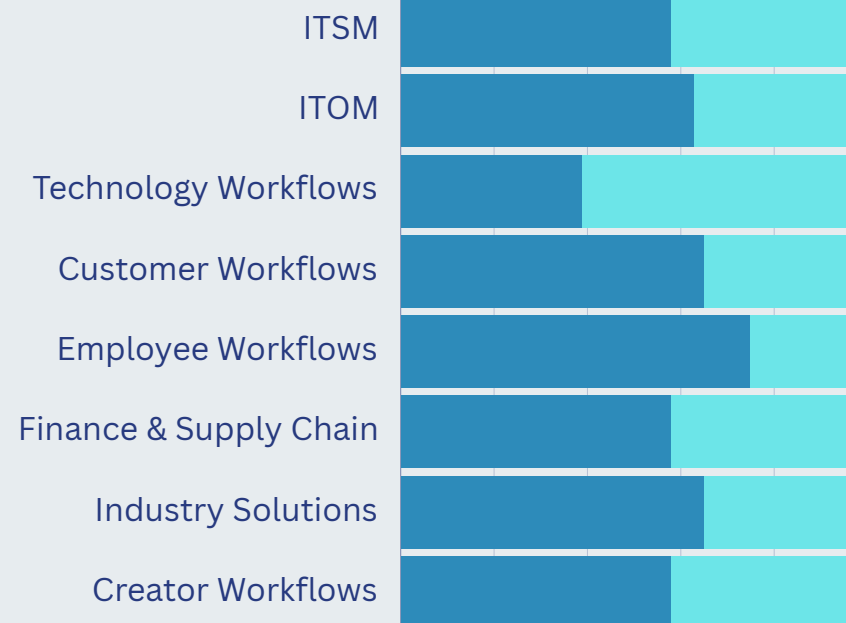

A seasoned ServiceNow Specialist & Developer with extensive experience, currently seeking contract roles across the EU. He has a robust background with a range of roles, including having led teams at a leading bank and held senior developer roles at large IT vendor.

His career spans multiple companies where he has honed his skills in ITSM, HRSD and ServiceNow administration. He has a track record of delivering end-to-end project success, aligning with ITIL best practices and Agile methodologies. This candidate has the technical expertise and leadership experience necessary for an Implementation Specialist position.
