SKILLS SNAPSHOT

CANDIDATE SNAPSHOT

An experienced ServiceNow consultant and project manager has over 11 years in IT Service Management, Agile Methodology, and Scrum. She has excelled in roles involving ServiceNow development, project management, and business analysis. Key achievements include leading successful ServiceNow integrations, developing custom applications, and enhancing ITSM processes.

Her expertise in stakeholder management, agile processes, and client services has consistently delivered high-quality, value-driven solutions. She brings strong problem-solving skills, excellent communication, and a proven track record of exceeding goals.
