CANDIDATE SNAPSHOT

This experienced ServiceNow professional brings over nine years of expertise, including more than five years in client-facing consulting roles. He has led comprehensive implementations across ITSM, ITOM, HRSD, CMDB, CSDM, CSM, SPM, ITAM, and Service Portal, aligning platform capabilities with business goals.

His achievements include driving CMDB health, CSDM adoption, and integrating ServiceNow with third-party systems to enhance enterprise workflows. With strong skills in stakeholder engagement, agile delivery, and ITIL-aligned process optimization, he offers strategic insight, technical depth, and a proven ability to deliver measurable business value in ServiceNow-driven digital transformation initiatives.
