CANDIDATE SNAPSHOT

A highly qualified Application Developer & Consultant with extensive experience in ServiceNow development and administration. He has a robust background in ITSM processes, custom application development, and complex integrations. Proficient in JavaScript, HTML, and CSS, he has successfully automated processes and improved operational efficiency for various high-profile clients.

He has a proven track record in managing the full project lifecycle using Agile Methodologies and delivering innovative solutions tailored to client needs, making him an ideal candidate for a ServiceNow Consultant position.

PRODUCT EXPERIENCE

- ITSM
- ITOM
- Technology Workflows
- Customer Workflows
- Employee Workflows
- Finance & Supply Chain
- Industry Solutions
- Creator Workflows
