SKILLS SNAPSHOT

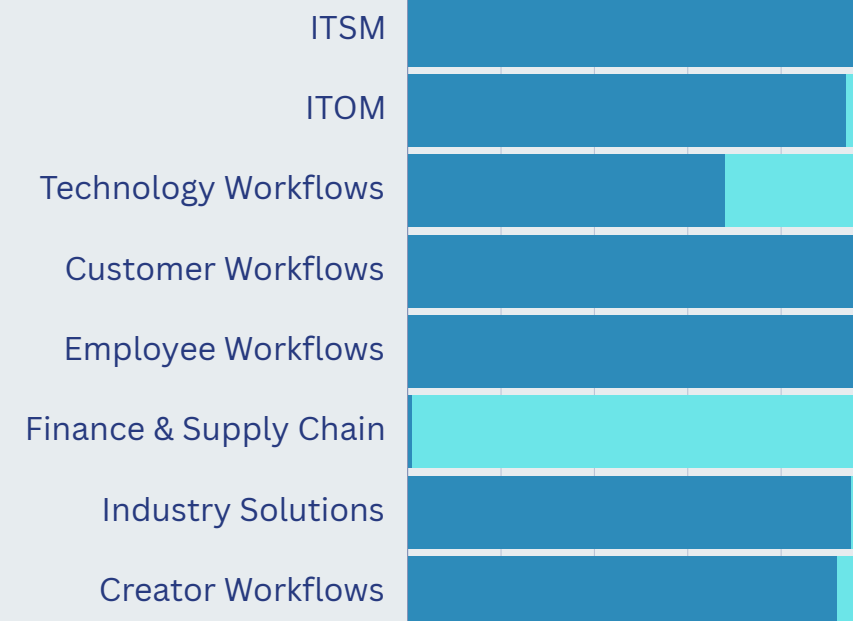

CANDIDATE SNAPSHOT

A highly experienced IT professional with over a decade in software development and more than eight years specializing in ServiceNow, he brings deep expertise across multiple modules including ITSM, HRSD, CSM, and ITOM. His achievements span end-to-end implementations, complex integrations, and custom application development. He has consistently delivered impactful solutions such as automated onboarding systems, custom portals, and secure credential management.

He excels in scripting, workflow design, and performance analytics. His strong technical acumen is combined with a collaborative approach, driving innovation and operational efficiency.
