CANDIDATE SNAPSHOT

A Senior ServiceNow Developer with extensive experience in software development. She has progressed from Software Developer to Senior Developer within two years, showcasing her ability to adapt and lead in a fast-paced environment.

Her background with an international systems integrator further strengthens her technical expertise and project management skills. This candidate has a solid foundation in technology, combined with a proven track record in the field, makes her an excellent candidate for roles requiring advanced development skills and leadership capabilities.

PRODUCT EXPERIENCE
