SKILLS SNAPSHOT

CANDIDATE SNAPSHOT

She is a certified Salesforce Consultant with extensive experience in CRM implementation, business analysis, and quality assurance. She has led end-to-end projects involving CPQ configuration, data migration and system integration. Her background includes managing complex approval processes, enhancing data security, and streamlining lead and case management workflows.

She brings a strong ability to translate business needs into scalable solutions, a proven track record in stakeholder engagement, project delivery, and user adoption. Her analytical mindset and cross-functional collaboration skills make her a valuable asset for driving digital transformation initiatives.
