## SKILLS SNAPSHOT

## CANDIDATE SNAPSHOT

*He is an experienced Business Analyst with over seven years in financial services, CRM, and ERP systems. His expertise spans Agile methodologies, vendor risk management, and process optimisation. He has successfully led Salesforce-based projects, including vendor onboarding and risk monitoring platforms, achieving a 40% efficiency boost and a 30% increase in user adoption.*

*His Salesforce certifications and strong stakeholder engagement skills make him a valuable asset. He brings a proven ability to translate business needs into actionable solutions, streamline operations, and drive digital transformation initiatives with measurable impact.*
