CANDIDATE SNAPSHOT

A highly skilled RPA Engineer with over 4 years of experience, specialising in UiPath, Blue Prism, and Power Automate. He has successfully implemented full lifecycle RPA solutions, achieving significant ROI and efficiency improvements. Notable achievements include developing unattended and attended bots, integrating APIs, and reducing technical downtimes by 90%.

He excels in creating reusable components, data scraping, and API integration. With strong communication and collaboration skills, he brings a wealth of expertise in automation, problem-solving, and performance optimisation to any role.
