CANDIDATE SNAPSHOT

A highly skilled Senior RPA Developer with 5 years of experience in designing, developing, and deploying scalable automation solutions using UiPath, Power Automate, and Blue Prism. He has successfully led automation projects, reducing manual effort and improving operational efficiency by up to 70%. His expertise includes end-to-end automation of complex business processes, process optimisation, and stakeholder collaboration.
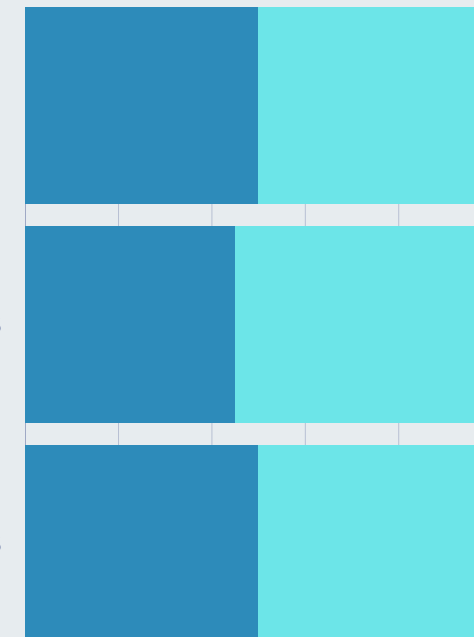

He brings a passion for leveraging RPA to drive digital transformation and deliver measurable business outcomes. His achievements with UiPath include automating loan processing workflows, data validation, and significantly enhancing process efficiency and accuracy.
