## CANDIDATE SNAPSHOT

An accomplished Lead RPA Developer with over 8 years of experience in automation solutions and team leadership, specialising in UiPath and Microsoft Power Platform. She has successfully developed and managed RPA workflows across healthcare, audit, and IT industries.

Notable achievements include leading teams, enhancing process efficiency, and implementing CI/CD pipelines. She brings a wealth of technical skills, including C#.NET, SQL, and Agile methodologies, and is adept at stakeholder collaboration and documentation. She is poised to deliver innovative automation solutions and drive measurable value in any role.
