## CANDIDATE SNAPSHOT

*He is a seasoned automation strategist with over a decade of experience in RPA, specializing in finance, supply chain, and operations. With deep expertise in UiPath, he has led global teams, architected scalable automation frameworks with 80% reusability, and delivered solutions that reduced manual workloads by up to 60%.*

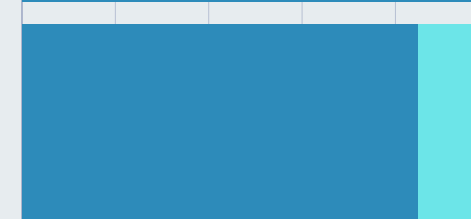

*He excels in aligning automation with business goals, managing high-ROI backlogs, and driving stakeholder engagement. His ability to lead pre-sales efforts and deliver enterprise-grade automation makes him a valuable asset to deliver impactful digital transformation.*
