CANDIDATE SNAPSHOT

A highly skilled RPA Developer with nearly 6years of experience in delivering automation solutions across industries such as Banking, Finance, and Healthcare. Her expertise in UiPath, Python, and SQL, combined with his proficiency in the entire RPA project lifecycle, makes her a strong candidate for the role.
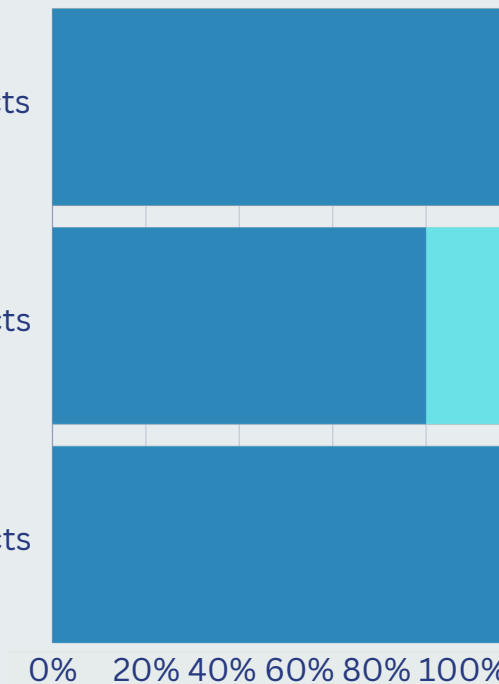

She has successfully led automation projects, streamlined HR processes, and implemented Document Understanding to optimize workflows. Her collaborative approach and ability to troubleshoot complex issues align well with the demands of an RPA Developer position.
