CANDIDATE SNAPSHOT

An experienced Automation Business Analyst with over 8 years in consulting, utilities, gaming, public sector, financial services, and law. She excels in bridging technical and business teams, identifying automation opportunities, and implementing solutions that enhance efficiency.

She has led over 100 automation projects, significantly reducing costs and improving process efficiency. Proficient in tools like Power Automate and UiPath, she has developed governance frameworks and agile methodologies. Brings strong stakeholder engagement, data-driven insights, and a commitment to continuous improvement, making her a valuable asset to any forward-thinking organisation.
