CANDIDATE SNAPSHOT

A highly accomplished Senior RPA Consultant with over 5 years of experience in designing and implementing automation workflows using UiPath Studio, Orchestrator, and Robot. He has developed robust automation frameworks and managed enterprise-wide bot deployments, optimising workflows for enhanced efficiency.

His expertise spans supply chain management and e-commerce, with notable achievements in end-to-end process automation. Proficient in multiple programming languages and project management tools, he brings strong problem-solving skills, composure under pressure, and effective communication to any role.
