CANDIDATE SNAPSHOT

This experienced QA professional brings over 15 years of expertise in software testing and quality assurance across diverse industries. He has led automation initiatives, particularly excelling in leveraging UiPath tools such as UiPath Studio, Orchestrator, and Test Manager to streamline QA processes and enhance efficiency.

His achievements include building robust automation frameworks, mentoring QA teams, and integrating AI-driven solutions to optimise workflows. He offers strategic insight, technical leadership, and a commitment to continuous improvement to any quality-focused organisation.
