CANDIDATE SNAPSHOT

An accomplished Senior Intelligent Automation Consultant with 5 years of experience in RPA technologies including UiPath, Power Automate, and Blue Prism. He excels in end-to-end process deployment and has a proven track record in client engagement and pre-sales consulting.

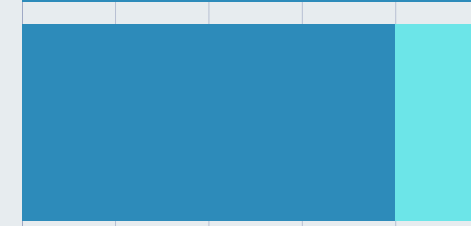

His strong technical background, leadership skills, and adaptability make him a suitable candidate for the RPA Developer position. His extensive experience in process discovery, project management, combined with a focus on delivering innovative automation solutions, positions him well to drive business growth and optimise processes effectively.
